👤 Summary

I am an experienced web designer with a passion for creating visually stunning and intuitive websites. With about 3 years of experience in the industry, I have developed a strong understanding of user experience, front-end development, and web design trends. I am proficient in Adobe Creative Suite, HTML, CSS, JavaScript, and other web design tools. I am a creative problem-solver who is detail-oriented, collaborative, and committed to producing high-quality work.
